Dear MR. ALAN CRONSTRON,

I am deeply concerned about Ana, ESTHER KOLDORF. She was arrested in 1978 by the police of Argentina for NO reason. I'm sure that you are aware of this problem of the Jewish people.

Ana ESTHER KOLDORF finished her jail sentence in five years, but they won't allow her to leave. They have tortured her and made her suffer very much.

Before she was arrested she was a very very good History teacher. The police thought that she would tell them something bad about Argentina. Thank you very much for reading this letter.

Sincerely,

ARGENTINA PROJECT (S200000044)
